A DAY IN JUNE.

And what's so rare as a day in June,
When skies are fair and roses bloom;
When zephyrs sigh with sweet perfume
And hope is high and love's attune?
There's none so rare.

When fleecy clouds their wings unfold,
Like airy ships beyond control;
When day and night in glory roll,
And heart meets heart and soul meets soul?
There's none so fair.

Oh, time of birds and flowers and bloom,
Oh, hours of bliss that fly too soon;
Of sweetest morn and twilight moon,
When life's a song and lovers croon—
What's so rare as a day in June?

Thinking the machine may have been brought to Ashland, Chief Kouns was advised to make an investigation."

Colonel John I. Winter, the former ex-Maysvillian but now a hustler of Fort Worth, Tex., still believes in the power of Printers' Ink. If Maysville merchants think local rates are high, what would they think of Colonel Winter's contract with the morning paper at Fort Worth at \$4,283.74 and the afternoon paper at \$2,500? That's advertising come, isn't it?

THE weakness of Kentucky Courts and the power and trickery of Kentucky lawyers was never more fully demonstrated than in the cases against Red HYNICKA's Gaiety Theater at Louisville and that of the State against the Lantonia Jockey Club. The law is openly defied and money and the lawyers are on top, as usual.

A KNOWING one says that most lawsuits are brought not to secure justice, but to get even, and getting even costs a whole lot.

It hasn't been but a few years since the American Book Company was fined and costed many thousands of dollars in old Kentucky for hogging the school book business of the State. And now the big concern has cornered the whole book business of the Public School for the next five years. The world do move.

The public has to stand for many things. Now take the Gould divorce suit as an example: JAY GOULD, the old schemer, practically bilked his immense fortune from the lambs of commerce, otherwise known as suckers, and now the same public had to stand for the nauseating details of HOWARD GOULD's filthy divorce suit. These newly rich upstarts are the very moral scums of the earth and the women they seek are in the same class. The THAWs and the GOULDs and the COREYs are all in the money and the moralless class and the newspapers should avoid exploiting their indecencies like they would the plague.

RUGGLES VINDICATED

Man Who Caused His Arrest in New York Makes Statement

A special from Dayton, Ohio, under date of June 26th, says—

Attorney M. Alvin Ruggles, formerly of this city, has been vindicated by a statement issued by James V. Snyder of Indianapolis, who caused the arrest in New York recently of the Dayton barrieter. As a result of Snyder's prosecution Ruggles was detained a few hours by the Gotham police, charged with bad faith in the prosecution of a suit to establish a title to certain property.

Ruggles practiced law in this city for four years and was considered to be a reputable attorney by his associates at the Bar. He was a former resident of Mayesville, Ky., having been a law partner there of Congressman Kehoe. The New York complaint against Ruggles withdrew his charges, and the following statement has been issued by him:

"To the Public and Friends of M. Alvin Ruggles: I wish to make a statement in regard to certain newspaper articles reflecting upon the character of M. A. Ruggles, which was exaggerated very much. I desire to say that as far as my dealings go and business transactions with Mr. Ruggles are concerned, he was honest, and while I was unduly influenced in causing his arrest in New York City I want to vindicate him thoroughly from any motive of wrong-doing, and I am very sorry, for he acted thoroughly honest with me.

TREASURY BRANCH G. P. O.

Abolished and Maysville Boys Feel Blow—Historic Department No More

Mr. Bruce Austin, a Maysville boy who has been in the Treasury Branch of the Government Printing Office at Washington for the past fifteen years, writes THE PUBLIC LEDGER the following information concerning the closing of the historic branch of the biggest printery in the world. Mr. Austin's letter says in part:

"The old landmark, the Treasury Branch of the Government Printing Office, has been abolished. All of the type, presses, cases, etc., have been moved to the G. P. O. warehouse to be stored away, and all of the compositors—twenty-two in number—have been furloughed indefinitely, which practically amounts to a discharge. Two make ups were reduced to the case, and the three imposters, of which I was one, were given two weeks' furlough, after which time they will be reduced and sent to the case.

I inclose you a clipping from Washington Star:

"The old branch of the printing office in the Treasury was established in 1862, when several rooms were assigned to the work in the basement of the building, under the supervision of the Treasury officials. An act of Congress later, requiring all departmental printing to be executed at the main office put the branch under the charge of the Public Printer.

"The work which was done there included job work of all kinds, from an envelope to the largest blank."

Hon. J. Dexter Kehoe was Foreman of the Treasury Branch for a number of years and many Maysvillians were employed there, among them being W. S. Cady, Bruce Austin, the Editor of THE PUBLIC LEDGER and others. For many years work in "the Branch" was one of the soft snags in Washington, but during the past few years the officials grew pretty strict and worked the time system to beat the band. But, while it lasted, and that was many years, the Treasury Branch, G. P. O., was a "fat take."

THE BEST REMEDY

For Women—Lydia E. Pinkham's Vegetable Compound

Noah, Ky. — "I was passing through the Change of Life and suffered from headaches, nervous prostration, and hemorrhages.

"Lydia E. Pinkham's Vegetable Compound made me well and strong, so that I can do all my housework, and attend to the store and post-office, and feel much younger than I really am."

"The Change of Life is the most critical period of a woman's existence, and neglect of health at this time invites disease and pain.

Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs.

For 30 years it has been curing women from the worst forms of female ills—inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, and nervous prostration.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

MAYSVILLE, KY.

The reports from the bedside of Mr. Robert Carrigan, who was so seriously injured by being struck by a C. and O. engine Thursday last, are more encouraging as the days go by, and his attending physician has hopes of his recovery.

The difference between T. H. Kirk, Cincinnati leaf tobacco broker, and the Burley Tobacco Society of Kentucky, arising from the tying up of 150,000 pounds of the 1907 Burley crop purchased by Mr. Kirk, will be terminated by the payment to Mr. Kirk of approximately \$27,000, this figure being on the basis of seventeen and one-half cents a pound and representing the price established at high tide last winter when the Equity interests prevented Mr. Kirk from disposing of the tobacco.

EVER HAVE IT?

If You Have, the Statement of This Maysville Citizen Will Interest You

Ever have a "low-down" pain in the back? In the "small," right over the hips? That's the home of backache. It's caused by sick kidneys. That's why Doan's Kidney Pills cure it. Maysville people endorse this. Read a case of it:

Frederick Drael, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the secretions were scanty and attended with pain during passage. Severe pains across the small of my back were frequent and at times greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they afforded me prompt and effective relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
